Annual Financial Statements

2008

The IDSN Co-ordinator and the Executive Group have today presented the annual financial statements of IDSN for the financial year 2008.

The presentation of the annual report is in accordance with the Danish Financial Statement Act. In our opinion the applied accounting policies are suitable for the annual report to give a true and fair view of the organisation's financial position and of the result of its operations and its cash flows.

The Executive Group acknowledges the in-kind member contributions to the work of IDSN in the form of support, staff time and sharing of other resources. Without these contributions the results achieved by IDSN would not have been possible.

The Co-ordinator and the Executive Group recommend approval of the annual report.
