Organising Networks:

Asia Dalit Rights Forum, Kathmandu- *Regional solidarity among Dalits has its genesis in the upsurge created by the World Conference against Racism in Durban in 2001, which challenged the conscience of humankind against racism and other forms of inequality.*

Asia Parliamentary Forum on Dalit Concerns, Kathmandu- *The Asian Dalit Concerns (APFDC) was created in 2014 in Kathmandu, Nepal, to address the issue of Dalit rights to entitlement and livelihood through a forum of elected representatives working against caste-based exclusion.*

Regions Refocus, New York;

Regions Refocus 2015 fosters regional and feminist solidarities for justice through policy dialogue between civil society, governments, sub-regional alliances, and the UN.

Ambedkar International Mission, New York, *- An organization of Ambedkarites residing in USA, UK and Canada. The organization is engaged in numerous social activities, service charity, and engaged in inter-community dialogues.*

International Commission for Dalit Rights, Washington DC- *The International Commission for Dalit Rights formed to fulfill an international mechanism to establish Dalit Rights in the contemporary World. It is an international human Rights, Policy and Development Organizations.*

India Friends Network, New York

Based in US, a group of individuals who are interested in raising issues of discrimination & Social Justice and looking at mobilizing support to address the same.
